Heron Hospice Society of Delta is deeply grateful to the Royal Canadian Legion #61 for their extraordinary generosity. Through their 2024 Poppy Campaign, they have made one of their largest contributions to date, a cheque for \$10,000 to help support our Visiting Hospice Program for Veterans.

In addition to this significant gift, the Legion also donated \$2,000 from special event tip revenue, a testament to their ongoing commitment to caring for Veterans and the wider community. These funds will directly support vital programs that provide compassionate end-of-life care and comfort to those who have served our country.

The cheque presentation was a special occasion, bringing together six members of the Legion and representatives from Heron Hospice Society of Delta to celebrate this meaningful partnership. The continued support from Royal Canadian Legion #61 builds on a proud history of generosity and partnership that has made a lasting difference in the lives of families across Delta.

We extend our heartfelt thanks to Royal Canadian Legion #61 for their unwavering support of hospice care, and grief and bereavement programs and for honouring the needs of Veterans and their families in our community.
