

Heron Hospice Golf Classic Celebrates Sixth Year with Aloha Spirit: Love, Compassion, and Kindness

Heron's Aloha Classic was held on Thursday, August 27, as golfers and community supporters teed off at Tsawwassen Springs Golf Club. The event brought together players, sponsors, volunteers, and over 200 banquet guests for a day of fun, connection, and compassion, all in support of end-of-life and grief programs offered free of charge by Heron Hospice Society of Delta.

Through the generosity of community business partners, many holes on the course featured prizes, contests, or giveaways, adding to the energy and excitement. Following the afternoon of play, guests gathered for a buffet dinner, live and silent auctions, and a lively program emceed by Tsawwassen recording artist and Optimist columnist Warren Dean Flandez.

The event culminated in an astonishing live appeal led by Todd Allen and MLA Ian Paton that brought in \$40,000 in donations in 15 minutes!

Heron Hospice Society of Delta is excited to share the Golf Classic raised \$102,000 net proceeds, of which will directly fund Heron Hospice's counselling, grief support groups, and community outreach programs across Delta. Every contribution raised through the tournament translates into meaningful, hands-on support for local families, every dollar makes an impact.

The society also recognizes the tireless efforts of its dedicated team of volunteers, whose enthusiasm and hard work brought every detail of the event to life.
